About the Firm

Strategic Management Partners has substantial experience advising corporations and individuals on the strategic and mechanical issues of corporate development and governance, operating management and turnarounds for asset recovery, and investing in underperforming companies. Our principal has over 35 years experience in P/L Management, Strategic Planning and Repositioning, M & A for Strategic Advantage,

Finance, Investing, Raising Funds, Sales/Business Development, Building Selling and Marketing Teams, and Operational Auditing = In Public & Private companies = In healthy and crisis situations.

We work with and support the equity capital community to provide assessment studies to determine the situation, planning and strategy development to direct the company, crisis management to oversee that assets are not squandered away, workout teams that recover assets, and board level oversight to keep the client headed in the right direction. We are a private equity advisory firm.

We seek strategic alliances with private equity funds.
